

## **Assistant Physicist Position**

The High Energy Theory Group at BNL has an Assistant Physicist position available on or about October 1, 2016. The group has active programs in all areas of Particle Physics, including Standard Model and beyond and lattice gauge techniques. The candidate chosen would be hired for an initial term of two years with the possibility of an extension up to five years and an eventual promotion to a staff position. Under suitable circumstances, a senior level appointment may be possible. In addition to submitting your curriculum vitae through “BNL Careers,” please arrange for three letters of recommendation to be sent via PDF to: [nkelly@bnl.gov](mailto:nkelly@bnl.gov) and cc. [soni@bnl.gov](mailto:soni@bnl.gov). The deadline for submissions will be January 15, 2016. To apply for this position, apply on-line at [www.bnl.gov](http://www.bnl.gov) and click “Jobs,” then sort by job ID and apply to job # 491.

Under the direction of A. Soni, HET Group Leader, Physics Department.
